

Hairdressing Apprenticeship

The level 2 NVQ Diploma in Hairdressing is based on the National Occupational Standards for Hairdressing. It is a job ready qualification which requires learners to demonstrate in the workplace the skills and knowledge required in the hairdressing industry.

This qualification attests to occupational competence and the job readiness of the learner. Level 2 covers the essential skills required by a hairdresser

Progression

The qualification provides progression opportunities for those with intentions of progressing into a supervisory or more technical role or onto a level 3 qualification.

Apprenticeship Framework

There are a number of elements to each Apprenticeship and this is called the framework. Each Apprenticeship framework has three main strands:

- Competence based element
- Knowledge element
- Skills element

The three strands are sometimes accompanied by additional qualifications to give the most relevant skills and knowledge required for the job.
